Amsterdam Ultimate Club Open	Canieporci	2	1	4	3	3	13	We were very impressed with your fair mindedness. Particularly in three cases: - retracted foul call in the endzone - accepted strip call on a sky ball - accepted stall out late in the game It really felt like you trusted our viewpoint.

Amsterdam Ultimate Club Open	Cus Padova Barbastreji	2	1	2	2	2	9	<p>The team informed me that they had quite a few instances of grabbing and hands which were mentioned during the game.</p> <p>Otherwise we were very happy with the rest of the body contact and the rest of the game.</p> <p>We particularly appreciated the clear and quick communication around the injury call.</p>

We had almost tie between 2 and 3 on every vote so this could have been very easily 13+.</p> <p>We appreciated your athletic plays being safe and avoiding contact on the bids.</p> <p>We appreciated your fast resolution of calls.</p> <p>We appreciated your calm response on field to calls.</p> <p>We appreciated one of your players explaining the rules on the uncontested defensive foul in the end zone.</p>

BORA	Grut Open	1	2	2	3	2	10	We gave 1 for use knowledge and use because of one situation where a player of your team called the offense foul on the thrower although he was not keeping the disc space. He told our player that he should call disc space before. So he must have known that he was too close and then called an offense foul although he had fouled before. Despite from this spirit was good and we enjoyed it.

Grut Open	PELT	2	1	2	0	2	7	As a team positive attitude and self control was below average (ours as well). The zero is specifically because one player frequently got unnecessarily involved in calls, his tone was quite aggressive, and the other players didn't correct him
